SPEND A NIGHT IN A HUT

On the Aiguilles Rouges side: the Bellachat, Flégère or lac Blanc huts

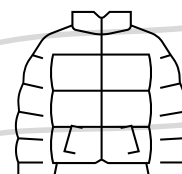

On the north side: the Plan de l'Aiguille hut or Montenvers hotel

On the upper valley: the Lognan, Pierre à Bérard, Loriaz, or Col de Balme huts

On the Fiz side: the Plate, Sales, Alfred Wills or Moede Anterne huts

ASCENSION OF MONT BUET (3099m)

The most experienced hikers can reach the highest point of the Aiguilles Rouges massif from the village of Le Buet in 6 hours. From the Pierre à Bérard hut, you can make the ascent over 2 days. (Be careful: as the altitude means that the upper part remains snow-covered for a long time)

The walking times indicated correspond to one way. They are calculated on a basis of 300m/hour.

Many hiking related on Chamonix tourist office website(www.chamonix.com) also provide a brief description of these hikes detailed information on these hikes are available from the hiking guide book "Sentiers du Mont Blanc".

Some hikes may not be accessible at the beginning of the season because of the snow.
